

DAV Centenary Public School, Paschim Enclave organizes

ROAD SAFETY AWARENESS WEEK

A brief Report

On behalf of Ministry of Road Transport and Highways, Government of India (Road Safety), New Delhi and under the directions of Central Board of Secondary Education and D.A.V. College Managing Committee, DAV Centenary Public School, Paschim Enclave organized '**Road Safety Awareness Week**' in the month of **January, 2011**. An array of events was organised with the objective of acquainting the children with traffic rules and accentuating the importance of adopting the safety measures for safe driving.

- The week set about with an interesting activity entailing the **presentation of traffic signs and traffic rules** to enhance the knowhow of the tios.
- **Slogan Writing and Poster Designing Competitions** on the keynote '**Road Safety is a mission, not intermission**' were organized with the aim of discouraging the general reckless attitude towards Road Safety which results in serious accidents.
- A special **Road Safety Campaign** was also conducted by the school wherein the school teachers and the students had a **conversation with the road commuters** on the burning issues like problem of **parking, honking, over-loading, over-speeding** etc. Students vociferated slogans and displayed banners to spread the awareness about Road Safety.
- A **humorous Skit on 'Road Safety'** performed by the students of class IX and X added a pinch of fun to the learning.

In nutshell the 'Road Safety Awareness Week' proved to be an outstanding endeavour on the part of the school, advocating the message of '**Alert Today- Alive Tommorow**'.
